

New Year...New Skills!

Enrolment Week:

Monday 9 January – Saturday 14 January 2012
Courses start from Monday 16 January 2012

Please enrol at the designated centres which are indicated right: enrolment will take place at the course session time stated in the publication. We operate on a first come first serve basis. If the class you choose is over subscribed you need to tell us if you would like to be put on a waiting list. You will need to give your contact details so you may be contacted when another class can be put on.

Fees

There is a £10 administration fee for each course you enrol on (unless otherwise indicated). You must bring your money (cash or cheque), fee remission evidence and National Insurance Number with you when you enrol to secure your place on the course. Full details can be obtained from our main centres (contact details on right) or from our helpline on **233 3026**

First Steps courses

Your starters for 10! Yes, 10 hours for only £10! £1 an hour and no administration fee attached! There's no fee remission on these courses. These are shorter courses designed for those who want to 'have a go' before progressing to a longer course. Learners who have studied on First Steps will get priority if they wish to progress onto a longer course. Please ask your tutor for details.

Longer courses

These courses are designed for longer study and as progression from our First Step courses. You can gain a national qualification in a number of courses. The course with qualifications attached are indicated with an asterisk * at the end of the course title. New learners to our service will have priority on our longer courses so they can have a chance to try something new and up-skill. If you are unsure on any of the above please contact one of our main centres for more information:

Newsham 233 1809
Park Road 233 2430
