Dear Ms Brown

Thank you so much for your recent letter and very kind donation of £50.00, which has been raised by your Performing Arts Department.

For more than 180 years the Royal Society for the Prevention of Cruelty to Animals has been working to relieve the suffering of animals, and much of its work has been funded by the generous gifts of animal loving individuals, just like you.

We rely entirely on donations to help our work - preventing cruelty to animals, rescuing animals from abuse, arranging loving new homes for them and prosecuting people who harm or neglect them.

The Society has never received any direct financial support from the government, yet the costs of preventing cruelty and promoting kindness never seem to stop rising. That is why we are so grateful for your donation.

This money will help us a great deal in our efforts to prevent cruelty and promote kindness towards animals.

In recognition of this marvellous donation, we are enclosing a certificate signed by our Chief Executive.

Please accept the Society's sincere thanks for your valued support.

With very best wishes
