Dear Staff and Pupils at Childwall Community High School,

Thank you for your generous donation and support for the Haiti Earthquake Appeal. Your support means we can continue to get relief supplies and personnel into Port au Prince and the surrounding area to help the thousands of survivors who are desperate for food, clean water and shelter.

It is fantastic that from your fundraising, you raised an incredible £1593.82!

Thank you for your support.

Yours sincerely,

Alexis Fairclough
