

Building Schools for the Future (BSF)

Childwall Sports College is involved in Wave 6 of the BSF Programme. We are delighted that a further multi-million pound investment is to be made to the already impressive school facilities.

We are working with partners to develop a Centre on the Childwall Site which will include:

Primary Care Trust (PCT)
Library Service

and others. This Centre is due for completion in the Summer of 2011.

Childwall Sports College is restless for continued success. In 2009 Ofsted stated that we were '**good**' we intend to be '**outstanding**'. You may be the person we are looking for!

The post of Deputy Head has arisen due to the well deserved promotion of the current postholder to the Headship of St Julies High School, Liverpool.

We look forward to receiving your application.

Please do not hesitate to telephone to discuss the post of Deputy Headteacher, you may wish to speak to:

<i>Adrian Whiteley</i>	<i>Deputy Head</i>
<i>Tim Alderman</i>	<i>Deputy Head</i>
<i>Cath Densmore</i>	<i>Business Manager</i>

or myself.

Yours sincerely

D.W. Phillips
Headteacher
